REMARKABLE MAN

Meeting Just Closed in St. Matthews Bears Evidence to His Good Work.

Reverend Baxter McLendon will arrive in Anderson today and tomorrow will begin the four weeks tent meeting which is to be conducted under the auspices of St. John's Methodist church. Mr. and Mrs. Frank Allen arrived in the city a few days ago and began the organization of the choir which will lead in the singing. They expect to have a chorus of 200 or more voices. Mr. Marshall, who is also a well-known singer, will arrive today to assist them in this work.

The tent which is to be pitched on the vacant lot on the corner of North Main street and Sharpe street will not be ready for the services either Sunday morning or Sunday night but it is hoped to have it ready for Monday night. Two services will be conducted daily but it has not yet been decided what the hours will be.

The following letter has been received by Rev. J. W. Speake from Rev. G. F. Kirby of St. Matthews, where Mr. McLendon has just closed a very successful meeting and speaks of the good work done there:

"Brother McLendon has just left us and he tells me that he is going to you to begin meeting next Sunday. Of course you made inquiry concerning him before you invited him, but I want to add my testimony unsolicited. God has laid his hand upon him and uses him in a remarkable way. Get ready for the biggest thing you ever saw in the way of a religious awakening. 'He's got the goods,' and knows how to deliver them in a most effective way. Like the bar magnet he repels and attracts at the same time. He denounces sin and sinners in the most scathing terms, and in purely unconventional language. He calls a spade a spade. On the other hand he exhorts Christ and with the most earnest entreaty and with inspiring utterances he impels men to accept Him. Gamblers have been converted and are praying in public and testifying otherwise to the saving grace of Christ. All kinds of sinners have become open and active Christians. Family altars have been erected, old scores have been settled; card players have renounced their cards, and altogether a fine current for righteousness has set in our town. No one can hear him regularly without being brought into sympathy with him. All who stand by him will be abundantly repaid. We have the 'evidence,' he has the 'verdict.' I pray God's blessing upon you and him as you work together."

USE SPLIT LOG DRAGS ON PENDLETON ROAD

WILL BE FURNISHED BY MR.
W. L. BRISSEY OF THIS
CITY

MAKE GOOD ROAD

Mr. E. G. Evans of Pendleton is Behind Proposition and is Pushing.

While in the city yesterday Mr. E. G. Evans of Pendleton stated that Mr. W. L. Brissey was going to give him four split log drags which will be used on the road between here and Pendleton. He stated that these drags would be given to reliable citizens along the road with teams who would use them and that in this way the road between here and Pendleton will be kept in good shape. At present the roads are being worked but when this work is finished the road will be in splendid condition and it is the object of Mr. Evans to keep it that way.

Mr. Evans stated that he was anxious to see a good road from this city to Clemson College so that the people in Anderson when they have visitors can take them up there and show them the college. When roads are good this is not much over an hour's drive.

In Greenwood county a split-log drag association has been formed and it is hoped that this movement will develop one in Anderson county. Nothing will keep the roads in good shape with as little work as these drags.

GREENVILLE EDITOR WEDS IN CAMDEN

Geo. W. Brunson of Greenville News, and Miss Harriett Shannon Married Wednesday.

Camden, June 4.—Grace church was the scene of a brilliant and beautiful wedding Wednesday evening, when Miss Harriett Burnett Shannon, second daughter of Mr. and Mrs. Wm. Shannon, became the bride of Mr. George W. Brunson, Jr., of Greenville. The church was simply but beautifully decorated with a pleasing note of green and white. The aisle was carpeted in white and the altar banked in smilax, ferns and white roses.

Mr. and Mrs. Brunson left on the northbound train for their wedding trip, after which they will be at home to their friends in Greenville, where Mr. Brunson is editor of the Daily News. Mrs. Brunson is a social favorite here and her friends regret that she is to make her home elsewhere. She will be a distinct loss to Camden society.

SINGING AT OAKWOOD

Was Grand Success and Many People Present.

Mr. Editor: Will say that the singing at Oakwood was a great success and everyone seemed to enjoy it to the fullest extent. We had several ministers with us: Reverends Speake, Hawkins, Anderson and others, which was appreciated by the convention. We trust these good brethren will be with us on many such occasions.

The crowd was large and good behavior prevailed throughout the day, which speaks well for the convention. We found the Oakwood Sabbath school in full blast. Attendance about six hundred. That is what I call a flourishing school. It seems to me that God is moving in a mysterious way in this church. May the good work go on and on.

It is hardly worth while to say that too much praise could be given to the superintendent in this great work. His heart is in his work as the results show it. By their fruits ye shall know them. If your heart is full of love and work for the Lord it will show the results every time. Let us magnify God by preaching, teaching and singing, all go hand in hand, till that final day shall come, and we are all gathered together in one grand reunion, then our joys will be complete.
